Just a heads up. You should probably wait to comment until Helen has a chance to make her changes and get you that draft.

Rich

p.s. You might want to weigh in now with additional questions you think are good though.

This is in Word doc format so you can make edits.

If you want to read it without the editing marks, click on Review and go to the "Show markup" drop down menu and uncheck all the ones that are checked.

Once you're ok with it, please share with whomever you think should review it.

Rich Fetzer asks that you also send it to Jerry Heston and Dennis Carney for review.

Thx.

Call if any questions.
